Dear Janet -

Stephen and I wish to thank you for the wonderful closet and office shelving that you have installed in our home. I suddenly feel like we have 30% more storage space - and it is all so attractive to boot! I now regularly invite friends to check out Stephen's closet - and they are all very impressed. And now my office is so organized. All this contributes to peace of mind for me, and believe me, that is much appreciated.

Thank you so much,

Stephen + Marian
